Group Work & Planning — Record of Meetings (CW1)

Meeting 1: Initial Concept & Scope Brainstorming

- **Type:** Online Meeting
- **Attendees:** Nathania Sofalas, Travis Henry
- **Agendas & Discussions:**
    - Brainstormed core concepts for the 3D Interactive Media project.
    - Nathania proposed building a 3D Zoo/Safari Simulation.
    - Decided on a Zoo Simulation over a Safari due to CW1/CW2 scope and timeline constraints.
    - Selected Sri Lanka's Dehiwala Zoo layout as the primary architectural reference and inspiration.
    - Mapped out initial feature ideas, including animal enclosures, FPV movement, and information boards.

Meeting 2: Work-in-Progress (WIP) Video Voiceover & Recording

- **Type:** Online Meeting (Google Meet)
- **Attendees:** Nathania Sofalas, Travis Henry
- **Agendas & Discussions:**
    - Finalized the script and outline for the Work-in-Progress (WIP) demonstration video.
    - Recorded video footage and voiceover via Google Meet with the help of a presentation.
      Zoo Simulation

Meeting 3: Peer Review Analysis & Future Task Delegation

- **Type:** Physical Meeting (IIT Campus)
- **Attendees:** Nathania Sofalas, Travis Henry, Rahil Mubarak, Jovan Fernando (All 4 Members)
- **Agendas & Discussions:**
    - Analyzed the assigned peer group's project submission video.
    - Identified strengths, weaknesses, and constructive criticism points for the peer review.
    - Discussed future feature builds and formally divided responsibilities for demo video development:
        - Nathania: Animal Enclosure design/assets, trigger coding, animations, design bible, and documentation/GitHub management.
        - Travis: Security Check Point Design, First-Person Controller (FPV locomotion, mouse-look camera), camera scripting, and interaction diagrams.
        - Rahil: Entrance kiosk 3D assets, ticketing counter animations
        - Jovan: Aquarium zone concept & architecture, aquatic assets.

Meeting 4: Peer Review Scripting & Outline

- **Type:** Online Meeting (Google Meet)
- **Attendees:** Nathania Sofalas, Travis Henry, Rahil Mubarak, Jovan Fernando (All 4 Members)
- **Agendas & Discussions:**
    - Structured the detailed script and outline for the Peer Review Feedback Video.
    - Assigned speaking sections and feedback points to each group member.
    - Agreed to record individual video clips independently and assemble the final peer review submission.

Meeting 5: CW1 Finalization & Group Video Recording

- **Type:** Online Meeting (Google Meet)
- **Attendees:** Nathania Sofalas, Travis Henry, Rahil Mubarak, Jovan Fernando (All 4 Members)
- **Agendas & Discussions:**
    - Finalized all CW1 submission assets, code repository status, and video demos.
    - Filmed and recorded the final CW1 Group Project Video demo together on Google Meet.
    - Confirmed final document compilation and submission steps for Blackboard/GitHub.
